Subject: IFAC Membership Application

Respected Sir,

**We have incorporated a voluntary body of Independent Accountants/Tax Practitioners/
Tax Advocates practicing in Accountancy/Taxation /Finance & Management for Small and
Medium Size Enterprises in India.**

India doesn't has a professional body of SME's specific accountants requirements, all above named professionals do practice in accountancy and it's allied areas but are not governed by any regulatory bodies. they are legally recognized professionals in their respective fields but lac proper monitoring and supervision.They are unorganized !

to overcome these problems all above professionals have decided to come together and form a professional membership body having proper training, certification and code of ethics for its members. A movement has also started to get a statutory law to support the formation of the institute.

We have thus incorporated "The Institute of Certified Public Accountants"

and we wish to adopt and support IFAC standards and mission. we request for IFAC membership for our members to get recognition as "SME's Professional Accountants"

looking forward for your help and support ...

Kind regards,

Mohasin Tahasildar (AFA/MIPA,FCPA,MIIA,ACFE)
