We are India's emerging Independent & Non governmental professional accounting body formed voluntarily for the welfare of Accountants ,Tax Practitioners/Consultants, Financial Advisers/Management Consultants ,Tax Advocates already practicing in the field of Accounting/Taxation/Finance-Management/ Regulatory & Compliance laws in various parts of India.

We offer membership accordingly to above professionals...

we are starting our own self certification program called " CPA Certification and Training" in which we wish to provide a online training platform for our members and certification candidates..we wish to train them for all the technical and practical knowledge they require in the field of their practice..Our institute will train professionals online using computer based learning & testing ..we have finalized ICA Edu Skill Pvt Ltd ( A Govt Approved body and Partner Institute of National Skill Development Corporation) as our educational partners to deliver CPA Certification and Training. Also have asked for affiliation with Institute of Cost Accountants of India for our Certifications and for Sponsorship and assistance in development of Professional Accountancy Organisation and Statement of Membership Obligation with IFAC ( A global regulator of Accountancy Organisations)

Also have received official permission from IFRS foundation for Sharing and voluntarily implementing IFRS for SME;s among our CPA members. further we are glad to note that our expression of interest for getting IFAC Mememrship has been accepted and follow up actions are in process, however it is a long process and we need to meet their bench marked global standards. we are committed or rather obliged to do so.

We are also thankful for AIFTP for admitting us Life Members. and before going any further we wish to have affiliation with AIFTP . we seek affiliation and supervision of AIFTP like organisation and it's 40 year old experience in the field of promoting excellence. lets do this together.

Further we wish to act as a subsidiary society of AIFTP to act as professional body for unorganized professional like Independent Accountants & Tax Practitioners and Tax Advocates to train/educate and update them with global standards..

We are attaching herewith a detailed plan through which we wish to work together that includes -

- A detailed affiliation proposal listing benefits and details of our society [it will be a joint venture of ICPA+AIFTP+ICA Edu Skills+ICAI (if they agreed)]
- A copy of our Registrations,Constitution & Bye Laws
- ICA Edu Skill's CPA Certification Development Proposal

I humbly request AIFTP executive committee to consider our joint venture proposal and partner with us for building future of Tax Practitioners profession in India. we are here to avail golden opportunity to Tax Practitioners to become and recognized as "Professional Accountants"

please reply as early as possible along with all your terms and conditions, as we need to start our training and certification facility and fill our Vacancies in Central & State Councils before 31/03/2016..
