ABOUT ICPA:

The Institute of Certified Public Accountants, is a registered society, affiliated to MEPSC (SSC). It's professional membership organization, offering CPA certification in online distance learning mode.

Institute is looking forward to establish a market for talented and skilled professional accountants in the country. We offer CPA Certification to fill the skill gap in Accounting and finance domain.

Institute Also offers International courses like ACCA,CIMA, ADIT resulting in jobs not only in Big4's & MNCs in India but also in opportunities abroad. Indian students get an option to do ACCA with embedded masters courses to study and work in countries like UK, Ireland, Germany, Canada, Australia, New Zealand etc.

ABOUT MEPSC:

Management Entrepreneurship and Professional Skill Council is an autonomous body, created by National Skill Development Corporation (NSDC), falling under Ministry of Skill Development and Entrepreneurship of Government of India. They are entrusted with responsibility to identify skill gaps in Management & Professional education sector and are authorised to develop National Occupational Standards – Qualification Packs for the same & conduct training, certify and award those who complete these skill development courses. MEPSC & ICPA have entered into an MoU to develop and deliver this CPA certification course. Jointly they have agreed to award this qualification.
